4. An interaction session was also there with the Guests where the students asked various questions related to Career prospects in Statistics and issues related to it, and experiences of the officers, which was aptly answered and students thanked the guests for such an enlightening interactions and students were overwhelmed by the answers and encouragement, they received through this interaction program.

5. Senior Alumni Members like Prof Anoop Chaturvedi, and Prof Alok Pandey also participated in the program and there were alumni participating in this program online from various continents.

5. In the Vote of thanks to Honorable Guests, Shri Sanjay Mishra thanked both the guests on part of AUSTAA family and expressed his heartfelt renderings of gratefulness to the Guests, who took time out of their busy schedule, and offered blessings to the youngsters who left no stone unturned, while during the extreme peak of COVID cases which they handled efficiently, worked 24*7 on voluntary basis, and were able to save many lives, which is in itself soul stirring. Shri Mishra further blessed and noted that these youngsters will become wonderful human beings, whether; they go to private or public sector irrespective of the geographical boundaries and offered his best wishes to the youngsters and AUSTAA family.

6. After the interaction program was over and guests proceeded to their other engagements, the Chairman of the program asked for any other matter to be discussed. Mr. Himanshu Katyan, Alumni, submitted that we have been informally meeting for more than a year and if allowed and all agree, we may proceed to register the Alumni association as a legal entity under the rule of the land which was agreed upon by all the available members by raising their hands electronically and clapping. Therefore, it was decided that the alumni association may be registered as a legal entity as soon as possible for better prospects of alumni and their family.
